GRUPA

Poznań, 20.12.2021

Ladies and Gentlemen,

Bearing in mind the highest business quality of the event we organize, and listening to the voices of our exhibitors, partners with whom we cooperate, **we decided to postpone the date of the Polagra Premiery International Agricultural Fair to January 2023.**

We always make every effort to ensure that the events organized by Grupa MTP bring maximum business benefits to their participants. We are convinced that the organization of the fair in January 2023 will contribute to the presence of a greater number of professional visitors. We strongly believe that the new date will be the right time to organize a fair that involves such a large group of exhibitors and visitors.

We would like to thank everyone for the substantive support and help shown so far and involvement in the organization of the Polagra Premiery fair. We assure you that we will use the time separating us to the next edition of this event to create an even more valuable and attractive space for international business meetings and an even more interesting and engaging program accompanying the exhibition
