

AGRO PREMIERY – agricultural premiers for the 2022 season

In January, the Polagra Premiery International Agricultural Fair will be held in Poznań. The fair is a perfect opportunity to see for the first time in Poland new products for the season 2022 and compare the offers of different suppliers. The January date of the event is the perfect time to present farmers with ideas for new investments.

MTP Gold Medal: confirmation of product excellence

To support professionals in making purchasing decisions, as every year, the Organisers conduct a competition for the MTP GOLD MEDAL, which allows the selection of industry leaders. The competition-winning products are distinguished by innovation and produced on the basis of proprietary technical solutions. Products are evaluated by a group of professionals representing the agricultural industry. The application deadline is **30 November**.

Accompanying event – Cultivation Seminar

On the first day of the Fair, a cultivation seminar will be organised and conducted by TOP AGRAR – the Main Media Patron.

Entry to the POLAGRA-PREMIERY FAIR

Two entrances will be available to visitors: NORTH – from Grunwaldzka Str., intended in particular for organised groups, and EASTERN – from the railway station. A detailed map of the event can be found at www.polgra-premiery.pl

Free tickets to POLAGRA-PREMIERY

The owners of farms and agricultural lands as well as breeders planning to come to Poznań have the option of receiving a free ticket. All they need to do is go to the website www.polgra-premiery.pl and register, and the Organisers will send a free ticket to the POLAGRA-PREMIERY Fair.

Co-financing of transit for organised groups.

Gather a group of at least 15 people and register it by **January 4, 2022** at the latest. Tickets for organised groups are offered FREE OF CHARGE.

See AGRICULTURAL PREMIERES in Poznań

The POLAGRA-PREMIERY International Agricultural Fair, as the first in the new year, presents new products for the 2022 season. The Fair participants will see many products in the category of machinery, equipment and agricultural tools, fertilisers, seeds, pesticides, feed and feed additives. The exhibitors are preparing various stands where the absolute AGRICULTURAL PREMIERES will be

presented to visitors. The exhibition will be attended as well by the representatives of the specialised industry press, and the most important unions and associations in the agricultural sector.
